

CALL FOR APPLICATION FOR PROFESSIONAL INTERNSHIP IN AGRICULTURE
SECTOR IN RWANDA JULY, 2022 INTAKE.

The Ministry of Agriculture and Animal Resources (MINAGRI) has been in partnership with Rwanda Development Board (RDB-CDE) into the implementation of National professional internship program in Agriculture sector since 2017.

MINAGRI, implements the programme by working closely with Agriculture host institutions to offer opportunities to Rwandan fresh graduates to gain work experience and exposure, deepen technical skills that were imparted during education, to improve their capacity to work, to contribute to the boost of agriculture sector in Rwanda and to sector production growth.

It is in that background that MINAGRI is calling for application for in-Rwanda agro-internship for July 2022 intake.
